Stronger, Healthier Hair in a Flash

*Introducing the **NEW Botanical Repair™ Bond-Building Flash Treatment**
for stronger, healthier hair in a flash*

Launching in March 2024
Suggested Retail Price: €47

Aveda is proud to unveil its latest advancement in plant-powered haircare: **Botanical Repair™ Bond-Building Flash Treatment**. This powerful addition to the renowned Botanical Repair™ collection is Aveda's ultimate solution for stronger and 2x smoother hair* in just ten seconds.

The **Botanical Repair™ Bond-Building Flash Treatment** harnesses the power of Biotech Natural technology to repair damaged from the inside out, while smoothing and adding shine in a flash.

AVEDA

Transformative results are made possible by harnessing plant-powered ingredients such as **Nourishing Macro Green Blend** consisting of emollient rich, certified organic Sacha Inchi, Green Tea Seed and Avocado Oils to smooth and seal the cuticle without silicones. **The Protective Bio-Shield Complex** consists of coconut and corn derived ingredients which create a lightweight veil for radiant shine from root to tip. **Lamellar Liquid Crystal Technology** features positively charged **lamellar structures** that attract to negatively charged damaged hair strands, instantly forming a thin veil on hair for conditioning and shine where it's needed most. **Vegan Lactic Acid** resurfaces the cuticle by smoothing down damaged, frayed layers for a flawless smooth finish. Certified **organic ylang-ylang, rose, marjoram** and other pure flower and plant essences infuse hair with a fresh, light floral aroma.

Seamlessly integrate the **NEW Botanical Repair™ Bond-Building Flash Treatment** into your in-shower wash-day routine by simply applying the treatment from mid-lengths to ends after conditioning and rinsing with Botanical Repair™ Strengthen Shampoo and Conditioner.

Formulated for all hair types and textures, the **NEW Botanical Repair™ Bond-Building Flash Treatment** is **vegan, Leaping Bunny approved, 98% naturally derived**** and is **safe for color treated and chemically processed hair**.
