The Student Hotel Amsterdam City, the flagship hotel, fuses co-living and co-working facilities into one giant eat-play-work-grow-meet-sleep creative complex. The 150-seat Auditorium is available to host large-scale events such as multimedia presentations, workshops, seminars, product launches and splashy corporate bashes. The Pool - restaurant and

bar, also located on the premises, provides catering options that combine the best of international comfort food with local regional favorites. Each event held in the Auditorium can be personally customized with flexible room settings, state-of-the-art audio visual technology and advanced sound systems.
