

PRESS RELEASE

REPA Becomes Global Master Distributor for Eureka's Spare Parts Operation

Cesena, Italy – October 17, 2024

REPA, the leading European spare parts distributor for foodservice equipment, coffee, vending machines, and household appliances, part of Parts Town Unlimited since 2022, has signed a deal to become **Global Master Distributor for Eureka** – the Florentine producer of hand assembled, artisanal coffee grinders.

Thanks to this partnership, REPA will now offer **3,700 original spare parts, alongside 400 different maintenance kits**, carefully selected to address specific servicing requirements. In addition to this, the leading distributor will take full control of Eureka orders and shipping.

Stocking and selling spare parts on behalf of Eureka, REPA makes life simple and easy for service technicians and engineers, roasters, coffee shops and importers globally, who can benefit from **lightning quick delivery** guaranteed by REPA, via its easy-to-use webshop, accessible 24/7. Allied to this, REPA “360” service leaves Eureka free to focus on the design and manufacture of some of the world’s most elegant and beautiful hand assembled coffee grinders.

Gilberto Guidi, Group Director Professional Coffee REPA comments: *“We are proud to become Master Distributor for Eureka – a world renowned brand – whose customers will receive high quality service from REPA. Taking responsibility of Eureka’s orders and shipping, alongside stocking its range of spares, leaves customers and the brand itself safe in the knowledge that they are dealing with a supplier that puts choice, speed and service at the forefront of everything it does.”*

Maurizio Fiorani, Eureka Managing Director comments: *“Our day-to-day work has always been about giving the coffee lover the best possible opportunity to exercise his greatest passion. This not only translates into state-of-the-art equipment in terms of technology and usability, but also into the possibility of fast and efficient service, without any compromise on quality. The collaboration with REPA that we are here to celebrate is a further step in this direction, with the aim of guaranteeing all Eureka customers who honour us with their preference a faster and more efficient supply of spare parts at the same unrivalled quality”.*

REPA

REPA is the leading European spare parts distributor for foodservice equipment, coffee, vending machines and household appliances and is a trusted partner to equipment manufacturers. Since 2022 REPA is division of Parts Town Unlimited, the global leader in high-tech distribution of mission-critical equipment replacement parts, related products and services for the foodservice, residential appliance and HVAC industries. REPA customers benefit from strong expertise in spare parts, with more than 40 years of experience in the market from REPA Italia, REPA

Deutschland, REPA Iberia, REPA France, REPA China, ATEL and Big Warehouse. With the industry's largest inventory accessible through state-of-the-art webshops, high stock availability, highly innovative logistic centers that assure the fastest delivery of spare parts in the industry, REPA provides every customer with the right part, at the right time, everywhere.

EUREKA

EUREKA is a leading company in designing and manufacturing modern and elegant coffee grinders since 1920. Founded in Florence by Aurelio Conti, the company started its activity as manufacturer of grinders for Espresso and quickly became a symbol of excellence. Nowadays, thanks to its international and dynamic attitude, Eureka aims to become the most innovative company in the coffee grinder industry: the "State of the Art" in grinding technique for any type of coffee preparation. Eureka mission is to provide an impeccable service, being always careful to the customer needs, through competitive products which combine design, technology and innovation. All this without renouncing to a 100% "Made in Florence" product, entirely hand-assembled in the Florentine factory: where industrial organization is melded to artisanal knowledge with wise mastery.
