

## DIY Project Idea: *Ladybug Craft*

You'll need a 4 inch terra cotta pot for each child. For younger groups of kids, paint the pot red with spray paint ahead of time. Let each child place black Velcro dot stickers on the side of their pot to resemble the spots on a ladybug and then plant an annual flower in the pot.

### Shopping List:

- 4 inch terra-cotta pot
- Red spray paint
- Black Velcro Dot stickers
- 4 inch flowering annuals (Red Gerbera daisies, Red begonias, or Red petunias)
- Potting Soil
- E. B. Stone Sure Start
