

Tiffany & Co. Trophies

For over 160 years, Tiffany has designed and handcrafted the world's most revered sports trophies. Each year, the House's artisans create over 65 trophies, including everything from the NFL Vince Lombardi Super Bowl Trophy to the NBA Larry O'Brien Championship Trophy and many more at its hollowware workshop in Rhode Island.

Tiffany entered an exclusive relationship with New York's most prominent silversmith, John C. Moore, to manufacture silver hollowware. Tools and techniques from this era such as chisel-engraved roller dies, spring hammering, repoussé, chasing, planishing and more are still used today.
