

LUXURY THAT LEADS BY EXAMPLE

Sophisticated design and unmistakable Range Rover DNA, matched with the latest technologies and luxurious material choices give the new Range Rover Evoque a unique personality and heightened sense of sophistication.

RANGE ROVER EVOQUE

CURATED

New Autobiography offers the pinnacle of Range Rover luxury in a compact SUV, with sporting Dynamic specifications available.

REDUCTIVE DESIGN

New interior design ensures a serene, captivating cabin, crafted from the finest materials featuring a new floating 11.4-inch curved glass Pivi Pro touchscreen.

LEATHER-FREE

Kvadrat™ wool blends and Ultrafabrics™ textiles inspired by bespoke tailoring combine in a modern leather-free cabin.

ELECTRIFIED

Evoque P300e electric hybrid offers WLTP EV range of up to 62km (39 miles), while 50kW rapid DC charging replenishes the battery in as little as 30 minutes.

PURE AIR

New Cabin Air Purification Plus manages CO₂ levels and purifies air using nanoe™ X to promote wellbeing and alertness.

TECHNICAL LIGHTING

New advanced Pixel LED headlights optimise illumination, offering increased visibility with distinctive chiselled light graphics.

OVER-THE-AIR UPDATES

Update maps, apps, software and more with Software Over The Air with no need to visit a retailer.
