**Club Figaro** is a non-profit associative project created in 2009 by an outstanding group of Spanish hairdressing professionals. The main objective pursued by **Club Figaro** is the social recognition of the profession, and this is articulated with the creation of the **Spanish Hairdressing Awards**, which have been held since 2010 and value the photographic works of hairdressing trends from the main Spanish firms. The transparency and prestige of the Awards is guaranteed by the appointment of an external jury, made up of five prominent names in international hairdressing, who vote individually and independently on the collections presented anonymously. The winners of the different categories of the Awards are announced during the Figaro Catwalk, an event that has already become the great annual event for Spanish hairdressers. The official sponsor of Club Figaro is Revlon Professional. Finally, Club Figaro has eight media sponsors, the main professional beauty magazines and portals in Spain.

The **Figaro Awards** will be held next **Monday, October 25 at 7:00 p.m.** and you can watch them via streaming on the Club's website. In addition, the winners of the last edition will be in charge of opening the Awards catwalk. **Club Figaro** has the support of its main sponsor **Revlon Professional**, a firm that has sponsored the Awards since its inception.

The 12th edition of the Spanish Hairdressing Awards stands as the best in history in terms of participation, with **187 collections presented by 89 participating firms**, from 29 provinces and 15 autonomous communities, including Andorra, and 9 countries for the international candidacy, which was inaugurated in this edition.

For yet another year, the autonomous community that contributes the most participation to the Figaro Awards is Valencia Community, with 39 collections, followed by Catalonia, with, and Andalusia, with 19. Overall, the participating collections come from 29 provinces and 15 autonomous communities, in addition to Andorra. It is worth highlighting the international participation in its first edition with **15 international firms and with 27 submissions.**

The professional jury that has voted on the collections participating in this edition is made up of **Mike Vincent** (France), Cesar Morales (Spain), Sally Brooks (United Kingdom), Beatriz Matallana (Spain) and Maeve O'Healy-Harte (Ireland), all of them recognized personalities of national and international hairdressing.

The collections of the eighteen finalists can now be visited on the Club Figaro website, [www.clubfigaro.com](http://www.clubfigaro.com), as well as those of the rest of the participants
