

MINI DOLCEVITA

L5.200.0.75.6

With its discreet profile, classic styling, and aesthetic variations that are at once timely and timeless, the Mini DolceVita is a small but mighty masterpiece that exquisitely expresses, in equal part, Longines' quiet luxury and contemporary elegance.

Each reference in the Mini DolceVita collection features a rectangular 21.50mm x 29.00mm stainless steel case and is powered by a highly-accurate L178 quartz movement. The highlight of the new Mini DolceVita collection dazzles with a case framed by 38 IF-VVS Top Wesselton diamonds. The Cosmo circular dial inside the rectangular case calls attention to its uncompromising elegance.

This watch is presented on a newly-designed stainless steel bracelet which, thanks to its 198 links, enhances the jewelled spirit of the watch and offers extraordinary wearer comfort.

L5.200.0.05.2

With its discreet profile, classic styling, and aesthetic variations that are at once timely and timeless, the Mini DolceVita is a small but mighty masterpiece that exquisitely expresses, in equal part, Longines' quiet luxury and contemporary elegance.

Each reference in the Mini DolceVita collection features a rectangular 21.50mm x 29.00mm stainless steel case and is powered by a highly-accurate L178 quartz movement. This model dazzles with a case framed by 38 IF-VVS Top Wesselton diamonds. It is available in one of four striking fashion-forward colours - ivory white, mint green, blossom pink, and serene blue. The alligator straps attractively match the colour of the outer square of the Roman rectangular dial, and an effective contrast is created by an inner square with a guilloché effect.
