

## Longines Spirit Zulu Time “Pioneering time zones”

L3.812.4.93.6

The Longines Spirit collection now has a new watch featuring multiple time zones - the Longines Spirit Zulu Time. An exclusive new Longines in-house calibre, with a silicon balance-spring and COSC certified, drives the time zone display. A state-of-the-art technology that allows the hour hand to be adjusted independently of the GMT indicator. Aesthetically, the Longines Spirit Zulu Time stands out with its meticulous execution and the particular care given to the various finishes on the details - whether shiny, matt, polished, in relief or embossed. This model features a bezel enhanced with a coloured ceramic insert, and is available on a sunray blue dial, with a date window now centred at the 6 o'clock position. The 42 mm steel case has an elegant interchangeable stainless steel bracelet.
