**New products.
New ways to refresh at home.

Even new food to put on your plate.**

What's new is up to you!

Hej! It's good to see you again. As you might have guessed, this PR package is an introduction to all the new things that come to IKEA in January 2025. But it's not just a big bowl of new products. It's also new ideas on how to refresh my home on a tight budget. And ways to care and repair your furniture. There's even a pinch of food products that offer new perspectives on what we put on our plates. That depth and width is the reason for our mantra right now. What's new is up to you. Enjoy.

Textiles with super powers

What's the simplest, quickest and most affordable way to refresh a bedroom? Our answer would be - textiles. Colourful, creative, comfy textiles. Cushion covers, throws, bed linnen and pillow cases. If you still have money left, why not add some smart storage and maybe a few stylish chairs.

Our favourite recipe

This is a fresh new take on Scandinavian design. Simple and straightforward but with a pinch of playfulness and youth. It's timeless without being bland. It's like a recipe that you haven't tried before and it still feels so familiar. It's a recipe we love - and hope that you do, too.

So what is it? It's a table lamp with a shade that doubles as a dimmer. Turn it to the right for more light, turn it left for less.

**Hide it or
show it. Why
not both?**

Is it storage or storytellers?

Good storage must be functional. It has to do the job of actually storing things. But there's another, more interesting layer. Beautiful storage products are also great storytellers. They show who you are and give your home a personality and a unique touch. Here are some of our new favourite storytellers.

New LÄDMÅKARE storage combination with sliding doors 259,- With 2 shelves/oak effect 295.646.78

LÅDMAKARE is a new family in Scandinavian modern look with versatile functionality with both closed and open storage. With its simple, timeless design, light shelving aesthetics and rich dimensions it helps to utilize the space to the fullest. You decide how wide you wish to have it, but thanks to single side wall construction you really don't lose a single cm, which can be priceless in small spaces.

Beauty travels at the speed of light

The new ZEBRASÄV has a supersimple design but with a twist. The wave that rolls around the shade makes all the difference. It's humble and understated but with that typical IKEA twinkle in the eye.

Time to plant some new ideas

Plant-based food is not plan B. Quite the opposite. At IKEA, we love plant-based food and our range of it just keeps on growing. So, how about you? Have you found a plant-based favourite, yet? If not, maybe you should give one of our new products a try. Have a bite!
