Tradition at the turn of an Allen key

This season, add a little Scandinavian magic to your home and turn it into the ultimate snug retreat where everyone can relax, feel welcome, and enjoy some well-deserved downtime.

Forget the pressure, dodge the drama (or at least keep it to a minimum), and focus on creating a space that's too cosy not to share. The best part? It's as easy as turning an Allen key – just add a few pieces inspired by our traditional Swedish style to design the perfect setting for new memories.

Get ready to give your home a fun refresh – or should we say rewarm?

A bit of Swedish countryside in your home

Designer Eva Lundgreen was inspired by her trip to the Dalarna and Sundborn regions of Sweden to create charming patterns in a traditional look. The vivid natural colours of Swedish artists Carl and Karin Larsson inspired her designs.

Heritage design. Modern comfort.

Take a load off with an IKEA design classic. HÖGVED revives the much-loved spindle chair from the 1970s, this time with modern features. Made from solid birch and birch veneer, the clear acrylic lacquer finish highlights the wood's natural beauty, adding an elegant touch to any dining space.

Give your table a dynamic look by mixing chairs in different colours! HÖGVED is available in two colours, birch veneer and green.

A seat for everyone

Let's face it, no one wants to sit at the kid's table, not even the kids. But finding suitable seating for the littlies at the big table can be tricky. Enter AGAM. This junior chair not only provides perfect seating for the plus three's, it also adds a stylish traditional touch to your table. And what about the in-betweens that are not quite big enough for a full-size chair? Try RUDSTORP. This height adjustable stool is comfortable for people of all sizes – a quick spin is all it takes to get the perfect height.
