

IMPROVE YOUR VIDEO IN A SNAP

Next Sennheiser Panasonic LUMIX seminar to focus on mobile journalism

Wedemark, 28 August 2019 – Do you have some experience in mobile journalism and want to learn a few more tips and tricks of the trade? Or perhaps are completely new to mojoing and want to build a solid foundation? If so, the latest webinar by the Sennheiser Sound Academy and the Panasonic LUMIX Academy is just what you need. This special session for mobile journalists, which has now been moved to the new date and time of September 5th at 1 p.m., will provide essential insights on choosing a camera, the optimum set-up and the right audio equipment. Speakers will be Daimon Xanthopoulos, LUMIX Ambassador, and John McGregor of the Sennheiser Sound Academy. To register in advance, please go to <https://zoom.us/webinar/register/d0a5077281ff739966858a512be5123a>. The webinar is the second in a series of five live training sessions that the Sennheiser Sound Academy and the Panasonic Lumix Academy are providing to all videographers keen to improve their skills.

The second webinar in the series explores what you need to be aware of when you're out in the field with the camera, offers advice on framing and provides guidance on what microphone(s) and microphone accessories to carry with you for various recording situations.

The second live training session from Sennheiser and Panasonic Lumix addresses mobile journalists

But it's not all dry theory – the Sennheiser and Panasonic Lumix team will demonstrate some typical traps in a live interview situation to you – and show you how to confidently overcome these challenges.

After registration at <https://zoom.us/webinar/register/d0a5077281ff739966858a512be5123a>, you will receive a confirmation e-mail containing more information about how to join the webinar.

Towards the end of the seminar, you will have a further opportunity to ask individual questions to the seminar speakers.

The next webinar dates and subjects are now as follows – please do note that there have been changes made to the details that have previously been communicated:
