

Wine tasting (group event)

Hello wine lovers! How about a delightful and unique wine tasting experience in a venue that will enhance your experience tenfold? Whether you're a group of friends, work colleagues, an association, a couple or just on your own, this wine tasting session at SERRA Brussels is the ideal opportunity to discover and appreciate exceptional wines in the cosiest atmosphere.

Here, a wide range of wines is carefully selected from the finest vineyards to offer you a variety of flavours to suit every palette. Have a preference of certain types or origins of wine? You can also personalise your experience! For a complete taste experience, SERRA also offers food and wine pairings with specially selected appetisers to enhance the taste of each wine.

Their tasting room is designed to provide a warm and welcoming atmosphere, perfect for sharing a pleasant moment with your loved one, friends or colleagues.

What's so special about SERRA's wine tasting event?

- Customisation: They adapt to every group's preferences, offering a variety of tasting themes (wine regions, types of wine, etc.) and take into account any dietary restrictions.
- Learning, enjoyment and indulgence: You'll discover exceptional wines while developing your knowledge and enjoying every moment of it!
