

Orange Belgium makes Apple Pay available for its customers in the Orange Shops

Orange confirms its commitment to offer worry-free services to its customers by making mobile payment via Apple Pay already available in almost all Orange Shops. Apple Pay enables easy and secure mobile payments, particularly convenient during the end of year shopping sprees.

Orange Belgium announces today it has implemented the Apple Pay service in its payment process in almost all Orange Shops in Belgium. The Apple Pay service will allow customers to perform payments with their smartphone in an easy and secure way when shopping at Orange Shops.

About Apple Pay

The easy Apple Pay service works with the Apple devices customers use every day. With Apple Pay they can make secure purchases in stores, in apps, and on the web. They can also send and receive money from friends and family right in Messages.

Apple Pay works with almost every payment card, with the Touch ID or Face ID of an iPhone and Apple Watch

Customers who want to use Apple Pay just need to open the Wallet app and push the + button to add a bank card.
