

## Longines Spirit Pioneer Edition

Longines adds to its Longines Spirit collection a new Grade 5 titanium chronograph, intended for the brand's most popular outlets. The lightweight piece is presented on a black synthetic strap with neon green stitching that matches the matt black dial's hands and Arabic numerals, which are coated in Super-LumiNova® for optimal visibility. The 42.00 mm titanium case houses an exclusive COSC-certified automatic movement (L688.4) with a silicon balance-spring. The caseback is engraved with the words "PIONEER EDITION".
