### BENEATH THE SURFACE

The Translucent Silhouettes collection artfully layers soft luminous colors atop organic shapes, creating a sense of depth and allowing dynamic shapes and colors to blossom. While the overall result is bold, the collection possesses certain lightness conveyed by the delicate metallic inks and pigments.

BOTANY

AU NATUREL

Inspired by fields of wildflowers, the Botany collection captures the pristine beauty of nature within the trays' graceful wooden frames. Simple romance is evoked by the thistle and herb patterns on the finished wood and glass textures, while the tea-stained hue is elegantly rustic.

## CARE INSTRUCTIONS

### DAILY CARE

Our wooden trays are varnished with a water-based top coat to repel common substances and fluids, such as coffee, tea and wine. However, the protective coat is no foolproof guarantee against stains. We recommend removing spills immediately to prevent staining. Always use coasters to prevent hot surfaces from leaving marks on the wooden trays.

### WOODEN TRAYS

Dust regularly using a soft dry cloth. For a more thorough cleaning, use furniture polish with a soft cloth.

### GLASS & MIRROR TRAYS

Wipe the surface with glass cleaner and soft cloth.

### METAL

Dust regularly using a soft dry cloth. For a more thorough cleaning, use mild soap and warm water. Rinse with clean water and wipe dry. Do NOT use steel wool, sandpaper, mineral acid, bleach, or chlorine cleaners on metal surfaces.

### CARE INSTRUCTIONS FOR FURNITURE WITH METAL

Do not drag tables along the floor, as it might damage the protective coating, cause rusting or leave permanent marks on the floor. Always lift the furniture when moving them from place to place.

### FURNITURE WITH METAL BASE ON A VARNISHED WOODEN FLOOR

Always ensure water and solutions used to clean the floor do not come into contact with the furniture's metal base, as it might leave permanent marks. We recommend attaching rubber or plastic leg protectors on the metal legs. Protectors made from felt are not recommended.

### FURNITURE WITH METAL BASE ON AN UNVARNISHED WOODEN FLOOR

Some wood species, such as oak, contain tannin, which causes the wood to react with metal and leave permanent marks on the floor. We recommend attaching rubber or plastic protectors on the furniture's metal legs. Protectors made from felt are not recommended.

## USER INSTRUCTIONS

The NOTRE MONDE trays are intended for decorative and everyday use. They are not to be used in a setting such as, but not limited to, restaurants where they are exposed to constant washing, repetitive handling and service of heavy items.

All NOTRE MONDE products are intended for indoor use only.

## UNIQUENESS OF OUR PRODUCT

The NOTRE MONDE brand incorporates classic and traditional techniques, such as metal-leafing, hand-painting, silk screen-printing and aging. Due to the handcrafted nature of our products, each item will vary slightly. We consider this a sign of uniqueness and quality.
