REPA's Partnership with Hemro Group Expands Worldwide

Mahlkönig, Ditting, Anfim and HeyCafé original spare parts now available globally

Cesena, September 25, 2025

After a year of proven regional success, **REPA** is **extending its partnership** with the renowned coffee grinder manufacturer Hemro Group. REPA will continue to serve as the **global official spare parts distributor** for Hemro brands **Mahlkönig, Ditting, Anfim and HeyCafé**.

The partnership, first launched in June 2024 across Italy, Spain, France, Saudi Arabia, South Korea, India, Australia and New Zealand, expanded to the DACH region in March 2025 and **is now active worldwide**, excluding Japan and the UK.

Thanks to this extension, service centers, roasters, equipment importers, coffee chains and distributors around the world will now have access to an even broader selection of Mahlkönig, Ditting, Anfim, and HeyCafé spare parts and accessories. This partnership ensures access to the world's largest stock of original Hemro Group spare parts, available all in one place with no minimum order.

Gilberto Guidi, Group Director Professional Coffee comments: *"We like to say that every great coffee starts with the perfect grind. I would now add that every great partnership starts with a common vision. From the very beginning, this is what happened with the Hemro Group. And this is why we are here today to inform all coffee professionals that all **original** parts for Mahlkönig, Ditting, Anfim, and HeyCafé are easily accessible worldwide through the REPA platform."*

Guidi adds: *"With our network of automated fulfillment centers that allow us to reduce the lead time, and thanks to the high stock availability, we can better serve the market at a global level, minimizing equipment downtime. Our commitment is to deliver the right Mahlkönig, Ditting, Anfim, and HeyCafé spare part, at the right price, and at light-speed to the global market. This makes our cooperation beneficial to the entire industry."*
