

dormakaba wins tender for all state-owned Norwegian airports

Rümlang, 1 June 2022 – **dormakaba has signed an agreement with Avinor Group covering the sale and maintenance of 450 Argus Air eGate solutions. The agreement with a volume in the single-digit millions (CHF) runs over ten years. With this, dormakaba becomes an exclusive supplier of self-boarding and boarding-pass-validation gates for all state-owned Norwegian airports.**

"Avinor and dormakaba have successfully partnered in previous projects. Building on this trustful cooperation, we are very pleased that we again convinced Avinor Group with our range of services and innovative products for airport management. This trustful cooperation in an important market highlights our position as a leading provider of seamless airport access solutions," says Jim-Heng Lee, CEO of dormakaba.

Avinor operates the 44 state-owned airports in Norway. It provides safe and efficient travel for around 50 million passengers annually, half of which travel to and from Oslo Airport. The sensor gates Argus Air from dormakaba with their customer-specific design ensure a fast process flow at airports and a smooth passenger experience. The self-boarding gate Argus Air combines dormakaba's latest design-oriented sensor barriers with biometric control that enables touchless access.
