

# Professional Refereeing Department

Tubize, Tuesday, 04 January 2022

Dear,

One of the principles of the Professional Refereeing Department is to create a greater openness and interaction in education and communication. In this respect, we would like to invite you to a monthly informal discussion meeting with Bertrand Layec (PRD Technical Director) with the aim of creating a better understanding of Belgian refereeing, the Laws of The Game, VAR protocols and giving you the opportunity to ask questions.

The setting of these meetings will be informal in order to create a comfortable environment that will allow us to provide you with more transparency. Therefore we will restrict the number of people attending each meeting to **maximum 20 persons**.

We would like to provide you the dates of these meetings:

Date	Time	Location	Registration deadline
14 January '22	13:00 - 15:00	Headquarters RBFA (Tubize)	11 January
8 February '22	13:00 - 15:00	Headquarters RBFA (Tubize)	31 January
9 March '22	13:00 - 15:00	Headquarters RBFA (Tubize)	28 February

We would like to ask you kindly to inform Frank De Bleeckere (prdspokesman@rbfa.be) before the registration deadline, if you wish to be present for any of these meetings. Frank will then send you a confirmation if you have been accepted.

We are aware that you fulfill a curtail role in the perception of refereeing in Belgium and hope this will contribute to a general better comprehension towards the general public.

We thank you for your anticipated presence and we look forward to seeing you.
