A FLEXIBLE SOCIAL CAREER

We use our well proven in-home demonstration system that has enjoyed huge success across Europe. This means that we can show our customers the quality and efficiency of the Kobold Ultimate Homecare System first hand in the comfort of their own home, allowing our Sales Advisors to demonstrate the benefits of owning a system that everybody wants in a fun, informal environment.

No experience is required to become a Sales Advisor. Our tailored newcomer programme offers full training, giving you all the information you need to make a successful start.

FANTASTIC REWARDS

Working at Vorwerk, you'll benefit from a range of rewards including:

- fantastic earning opportunities, right from the start
- no joining fee – the only investment is your time and passion
- flexible hours, typically earning £500 - £2,500 per month as a Sales Advisor
- increased self-confidence, working with like-minded people and making new friends
- regular, free internal training to support professional development
- a career progression programme
- earning the Kobold Ultimate Homecare System worth over £1,500 along with other great prizes.

THE STANDARD CARPET SYSTEM

The VK200 Body, plus:

- Automatic Electric Brush
- Carpet Freshener
- Full Accessory Pack
- Electric Upholstery Brush

kobold VK200 BODY

The VK200 Body combines powerful cleaning performance with excellent versatility and an elegant, compact design.

Lightweight and simple to use, the VK200 Body provides the perfect cleaning solution for every home to make life easier and cleaner! The VK200 Body is even clever enough to turn itself off automatically when in the park position.

The VK200 Body features:

- ergonomic, one handed operation with finger-tip adjustable suction control
 - an individually adjustable telescopic handle
 - an LED filter bag indicator and easy change filter cartridge
 - a 3 in 1 Premium Filter Bag - tested and approved for allergy sufferers
- ...as well as A-rated performance for energy efficiency and cleaning performance on carpets and hard floors.

EB400 AUTOMATIC ELECTRIC BRUSH

The ultrasonic sensor on the Automatic Electric Brush intelligently detects the floor type being cleaned and adjusts settings accordingly. It can transition seamlessly from carpets to hard floors in less than one second, raising up for hard floors and adjusting automatically to the pile height on carpets.

Ensuring gentle and thorough cleaning right up to the skirting, the Automatic Electric Brush's pushing force control makes for effortless cleaning with a swivel joint for extra manoeuvrability, and automatic stop/start when moving to and from the park position. The brush is also ideal for homes with pets, as the rotating head works deep down into fabric lifting away even the most stubborn pet hairs.

kobold VF200 CARPET FRESHENER

The Carpet Freshener delivers the ultimate in hygienic, dry cleaning for carpets that leaves them in top condition, every time.

The easy-to-use dispenser distributes and massages the highly effective Kobosan Active Dry Cleaning Powder

into the carpet pile to help clean and stain protect carpets in one simple operation without the drawbacks of wet or steam cleaning. The Carpet Freshener is recognised as suitable for allergy sufferers by Germany's TÜV standards organisation.

PB440 ELECTRIC UPHOLSTERY BRUSH

The Electric Upholstery Brush is the perfect attachment for cleaning upholstery, stair carpets and even the car interior.

Light and easy to use with gentle but thorough cleaning, the Deep Cleaning Mattress Attachment ensures that your mattress is kept free from allergy-triggering particles. The Dry Cleaning Mattress Attachment allows for the hygienic cleaning of the fabric surface when used with the Lavenia Mattress Cleaning Powder, leaving a clean and fresh mattress for a great night's sleep.

The Electric Upholstery Brush's accessories:

- **Dry Cleaning Mattress Attachment**
- **Deep Cleaning Mattress Attachment**

kobold SP530 DUOCLEAN

The unique and award winning DuoClean is the perfect solution for all hard floor cleaning. Able to mop and vacuum hard floors simultaneously, the active micro-fibre cloth makes cleaning effortless and leaves a streak-free shine. It's so good, that over 1.5million homes worldwide use one!

FULL ACCESSORY PACK

Now your Kobold has complete versatility.

- **Crevice Nozzle Set** – a flexible crevice tool with detachable brush and drilling tool.
- **Flexo Nozzle** – a multi-functional attachment that cleans everywhere from walls to ceilings to curtains and upholstery.
- **Telescopic Tube** – giving you all the extra reach you need.
- **Soft Nozzle** – the modern, adjustable feather duster.

REASONS TO BUY
