

Longines DolceVita & La Grande Classique de Longines | May 2022

## A Longines Kaleidoscope of Colour

L5.512.4.92.2

Longines is introducing monochromatic versions of two of its most beloved watch lines, the Longines DolceVita and La Grande Classique de Longines. The new watches in each collection are at once bold and playful but at the heart of this story is colour. The new burnt orange Longines DolceVita watch colourfully augment the affectionate ode to the gentle way of life that has always been a hallmark of this popular line. The dimensions of this model's rectangular case – 23.30 mm x 37.00 mm – offers outstanding wearer comfort. This timepiece features a small seconds display and its rhodium-plated rim makes the bold colour of the dial stand out. It is presented on a leather strap that matches the dial colour.
