### **ILLINOIS STATE POLICE ANNOUNCE RESULTS OF** **ALCOHOL COUNTERMEASURE ENFORCEMENT** **PATROLS**

**MOLINE** – Illinois State Police (ISP) Troop 2 Commander, Acting Captain Matt Wierzbinski, announces the results of Alcohol Countermeasure Enforcement (ACE) patrols in La Salle and Rock Island counties during March. These ACE patrols allowed the ISP to focus on preventing, detecting, and taking enforcement action in response to violations associated with impaired driving and illegal transportation or consumption of alcohol or drugs.

<b>Violations</b>	<b>Enforcement Activity</b>
Driving Under the Influence (DUI) Citations	<b>0</b>
Other Alcohol/Drug Citations	<b>3</b>
Occupant Restraint Offenses	<b>6</b>
Registration Offenses	<b>13</b>
Driver's License Offenses	<b>11</b>
Insurance Violations	<b>9</b>
Total Citations/Arrests	<b>101</b>
Total Written Warnings	<b>24</b>

Alcohol and drug impairment are factors in more than 30% of all fatal motor vehicle crashes in Illinois. There is one alcohol-related traffic fatality every 53 minutes in the United States. The ACE program allows officers to work even harder at removing dangerous DUI offenders from the road. This project is funded through the Illinois Department of Transportation.
