### The story behind Clinique Smart Clinical Repair™ AM/PM Retinoid Balm

Target stubborn lines with concentrated retinoid power. Powerful formula with 1% retinoid and hyaluronic acid instantly minimizes the appearance of fine, dry lines. Safe for sensitive skin. Dermatologist tested.

## Proven results:

---

### Immediately:

Instantly minimizes fine, dry lines.

---

### In 2 Weeks:

Clinically proven to visibly reduce 7 lines in 14 days.\*

\*Clinical testing for 2 weeks

7 lines refers to forehead lines, frown lines (a.k.a. 11 lines), crow's feet lines, crow's feet wrinkles, nasolabial folds, marionette lines and lines around lip.

## What it does:

Powered by 1% advanced retinoid and hyaluronic acid, this targeted treatment in an easy-to-use stick format helps to instantly smooth the look of fine, dry lines and visibly improve stubborn wrinkles over time. Targets specific stubborn lines, such as frown lines (a.k.a “11” lines), crow’s feet, vertical lip lines, and smile lines.

### Visibly reduces lines + wrinkles on face + neck:

#### 1% advanced retinoid (Hydroxypinacolone Retinoate- a Vitamin A derivative):

The same retinoid used in our advanced Clinique Smart Clinical Repair™ Wrinkle Correcting Serum, formulated for clinical efficacy and gentle enough to be used up to twice daily, helps to accelerate skin’s natural cell renewal to visibly reduce lines and wrinkles.

#### Hydrates:

#### Hyaluronic acid:

Delivers soothing hydration to help visibly plump fine, dry lines.

## Who is it for:

All Skin Types (1,2,3,4). Non-acneogenic.  
Appropriate for blemish prone skin.  
Safe for sensitive skin.

## How to use:

Apply directly to facial lines. Avoid getting in eyes and avoid direct contact with lips. Use sunscreen and limit sun exposure while using and the week after. Can be used with Clinique Smart Clinical Repair™ Wrinkle Correcting Serum.
