

Let your innocence roam free.

Transcend seasons with
charmed hues inspired by the secret,
wondrous world of fairies.

Eyes flutter impishly in new Foiled Shadows,
in luminous wet or dry shades
that flicker like morning mist.

Feathery pinks for cheeks brighten the day,
imbuing you with a spritely glow.

Cast a spell with rosy metallics
for nails and pearl-lit nudes
for lips, spinning glamour 'til
the moon turns to sun.
