

# Emulsion Originelle Régénérante

Regenerating and hydrating face emulsion

FACE

Stage	Treatment	
Category	Moisturizing Creams	
Skin Instants®	Delipidated and/or dehydrated	
Available formats	<i>Retail</i> 50 ml	<i>Professional</i> 100 ml

**Emulsion Originelle Régénérante** offers the skin a dual action that is both regenerating and moisturizing. Its highly nourishing and regenerating active ingredients help to rebuild the skin barrier, help rebalance the skin and protect it from extreme weather conditions by its "reconditioning effect". A true moment of absolute comfort, the skin is instantly nourished, supple and comfortable.

## ACTION PLATFORMS

### ▪ Moisturizing platform

Complex made from Hyaluronic Acid and Rhizobium, Moisturizing Plant Sugars

### ▪ Regenerating platform

Mimosa Tenuiflora Extract, Virgin Sisymbrium Oil

### ▪ Nourishing platform

Colostrum, Macadamia Nut Oil, Plant-based Squalane

## BENEFITS

- Restores the deficient hydrolipidic film
- Protects the skin from external aggressions and skin dryness
- Restructures the microrelief of the skin, unifies and illuminates the complexion
- Moisturizes the upper layers of the epidermis

## DIRECTIONS FOR USE

1. Apply every morning and/or evening to a cleaned skin.
2. Lightly massage the face, neck and décolleté until complete absorption.

## CAUTIONS

- Not recommended for skins with seborrheic tendencies.
- External use only.
