

As the City of Edmonton hosts 2018 Grey Cup, Edmonton downtown will be welcoming the Grey Cup Festival, which means more exciting events will be taking place in the heart of our city!

During this time, there will be road closures along Jasper Avenue from 95th street to 99th street effective Wednesday, November 14 to Wednesday, November 28. With the festival ahead of us, we want to make sure your concert experience at the Winspear Centre is great before and after the concert. Below we have included a map and further details outlining expected delays during this time.

Getting to the Winspear Centre

Parking: If you're planning to drive to the Winspear Centre, there are over 1,500 parking stalls within a 5-minute walk from the Winspear Centre.
