2017 CFL COMBINES PARTICIPANT LIST ANNOUNCED

More than 130 players to compete in three regional combines across the country

TORONTO – The Canadian Football League (CFL) announced that the League will once again host three regional combines with the participating players having one final opportunity of earning an invitation to the 2017 CFL Combine presented by adidas, which will take place in Regina, March 23-25.

The CFL will host regional combines for the fifth consecutive year, and the third-year it will host a trio of them beginning in Montreal on March 10, followed by one in Toronto on March 17 and the final regional combine in Regina on March 23.

Last year, 17 players from regional combines were extended an invitation to the CFL Combine including 10 of those players being selected in the 2016 CFL Draft.

The CFL, with input from all teams, will then invite additional players from the regional combines to the national event in Regina depending on player performance. Each regional combine will invite approximately 40 to 45 football players.

The top players eligible for the upcoming 2017 CFL Draft, as ranked collectively by the teams and the league office, are invited to attend the CFL Combine presented by adidas.

About the CFL Combine

The CFL Combine presented by adidas will take place at Evraz Place in Regina, Saskatchewan. The players will undergo medical examinations, performance, strength and speed tests, on-field football drills and team interviews over the three-day combine in front of general managers, coaches and scouts from all teams.
