A vintage black Berkel slicer stands on a tall, ornate black pedestal. The slicer has a large circular blade and a hand crank. The brand name "Berkel" is visible on the front of the machine.

A large, rectangular piece of red marble with white veining is mounted on the wall above the fireplace mantel.

A modern black kitchen island with a countertop. On the countertop, there is a toaster, a sink, and a pot. Below the countertop, there are open shelves holding a cutting board, a red-handled knife, and several small wooden bowls. A white towel with the word "ato" is hanging from the side of the island.

A modern, minimalist shelving unit with three stainless steel shelves and four vertical stainless steel supports. The shelves hold various kitchen items, including a black bag, a potted plant, and some dishes.

Decorative wall paneling on the left side of the image, featuring a large, ornate white panel with intricate carvings and a smaller panel below it.

A white marble fireplace mantel with a dark fireplace opening. The mantel has a classic, carved design. Two small glass vases are placed on the mantel to the left of the fireplace.

Two windows with light-colored wooden blinds. The window on the right is larger and has a white panel below it. The window on the left is smaller and has a white panel below it.
