The **Sérums de teint** perfectly combine skincare product performance and ideal makeup product coverage. Thanks to their long-lasting hydrating action, the epidermis feels comfortable all day long, without any sensations of tightness. Their unifying and protecting active ingredients provide them with incredible photo-protecting and unifying properties. The skin breathes and the complexion is bright and full of radiance, for a guaranteed “healthy glow” effect.

### ACTION PLATFORMS

#### ▪ Protective platform

Extract of butterfly bush flowers, Anti-pollution polysaccharide

#### ▪ Moisturizing platform

Pair of exopolysaccharides, Prickly Pear Seed Oil

#### ▪ Unifying platform

Film Former

### BENEFITS

- Durably moisturizes the skin
- Minimizes the appearance of blemishes
- Protects as a shield against urban particulate pollutants and free radicals induced by solar radiation (UV rays, blue light, infrared radiation)
- Provides an easy application (doesn't leave a line)
- Provides a natural coverage (fluid texture)
- Brightens and evens out the complexion
- Guaranteed “healthy glow” effect
- Non-greasy, non-comedogenic, silicon-free

### DIRECTIONS FOR USE

1. Using your finger or the brush, dab onto clean and dry skin (forehead, nose, cheeks, chin) after your daily skincare product.
2. Delicately spread out from the center to the outside of the face, neck and décolleté for a natural finish.

### CAUTIONS

- External use only.
