## How to turn lost spots into hotspots

Your home is brimming with opportunities, if only you could see it. That wasted corner that hides in the shadows? It could easily be transformed, you just need to have a lightbulb moment (aka some IKEA inspiration) to realise its true potential.

This solution will help you uncover hidden possibilities in the home. By simply turning unused spaces into smart favourites, you'll be able to see your home in a new – and more organised light.

May the treasure hunt begin.

PH183175.JPG **BILLY bookcase with glass-doors 149,-** 404.662.66

Creative clutter? Maximise space above units with our MULIG rail to keep it neat and tidy. Even if the space is shallow, it's an opportunity.

PH183481.JPG **New IVAR cabinet with sliding doors 79,-/each** 004.943.94

Go above and beyond with shelving and storage by turning unused space around doors into an at-home library. Prefer to keep things minimal? Use the IVAR sliding door to hide everyday clutter.

Create a mini storage sweet spot on wheels by making the NISSAFORS trolley part of the main attraction. It's the perfect set-up for your favourite books, as well as fun nick nacks and important documents. The best part? You can make all these things come to you.

PH183067.JPG MULIG clothes bar 4,99 301.794.35 TROFAST wall storage 33,99 798.983.06 OMAR shelving unit 9,99/each 304.830.73

PH183068.JPG OMAR shelving unit 9,99/each 304.830.73 TROFAST wall storage 33,99 798.983.06

Ready for spring? Us too. But play it safe by keeping warmer layers, like knitwear, coats and waterproof footwear close at hand – just in case. With the OMAR shelving unit, you'll be ready for all weathers, come rain or shine.

PH183019.JPG MULIG clothes bar 4,99 301.794.35 HYLIS shelving unit 11,99 304.283.26

## It's what's on the inside that counts

This solution explores turning hidden storage into something that makes you smile on a daily basis. Because we all know that being organised feels good, even if it's behind closed doors – and drawers.

Do you love your clothes? Make sure you do them justice by organising them beautifully with our PAX wardrobe system, as pictured here. Just note: you'll want to play dress up every day.

PH183483.JPG KOMPLEMENT box 8,- 104.040.53 KOMPLEMENT box 10,- 404.057.77

PH183482.JPG **New HEMMAFIXARE storage case 9,99** 905.039.16

We all know spring weather can be unpredictable – who hasn't been caught in a downpour before? Be prepared and keep warmer layers just a zip away so you can stay one step ahead of the forecast.

Do you feel like you can never find what you're looking for? Contain bathroom clutter (and minimise unnecessary stress) with neat baskets and storage containers that not only look good, but make you feel good, too. Think calm on the inside, sleek on the outside.

Meal times can be stressful, especially when there's multiple mouths to feed. Take the pressure off by storing the essentials with clever organisers and smart lighting. Satisfaction, guaranteed.
