

Tiffany Knot

Tiffany Knot is a tribute to the energy and character of New York.

Symbolizing its legendary ability to create connections between people, the chain-link-inspired design is subversive, witty and individualistic.

The rawest form becomes a provocative design in the hands of one of our master artisans, who spent over 22 hours crafting the Tiffany Knot pavé diamond hinged bracelet.

The Tiffany Knot bracelet features over 400 diamonds set at precise angles to maximize brilliance. The knot motif conceals the innovative clasp.

Contrasting smooth forms and sharp ends, artisans employ both technical know-how and creative ingenuity.

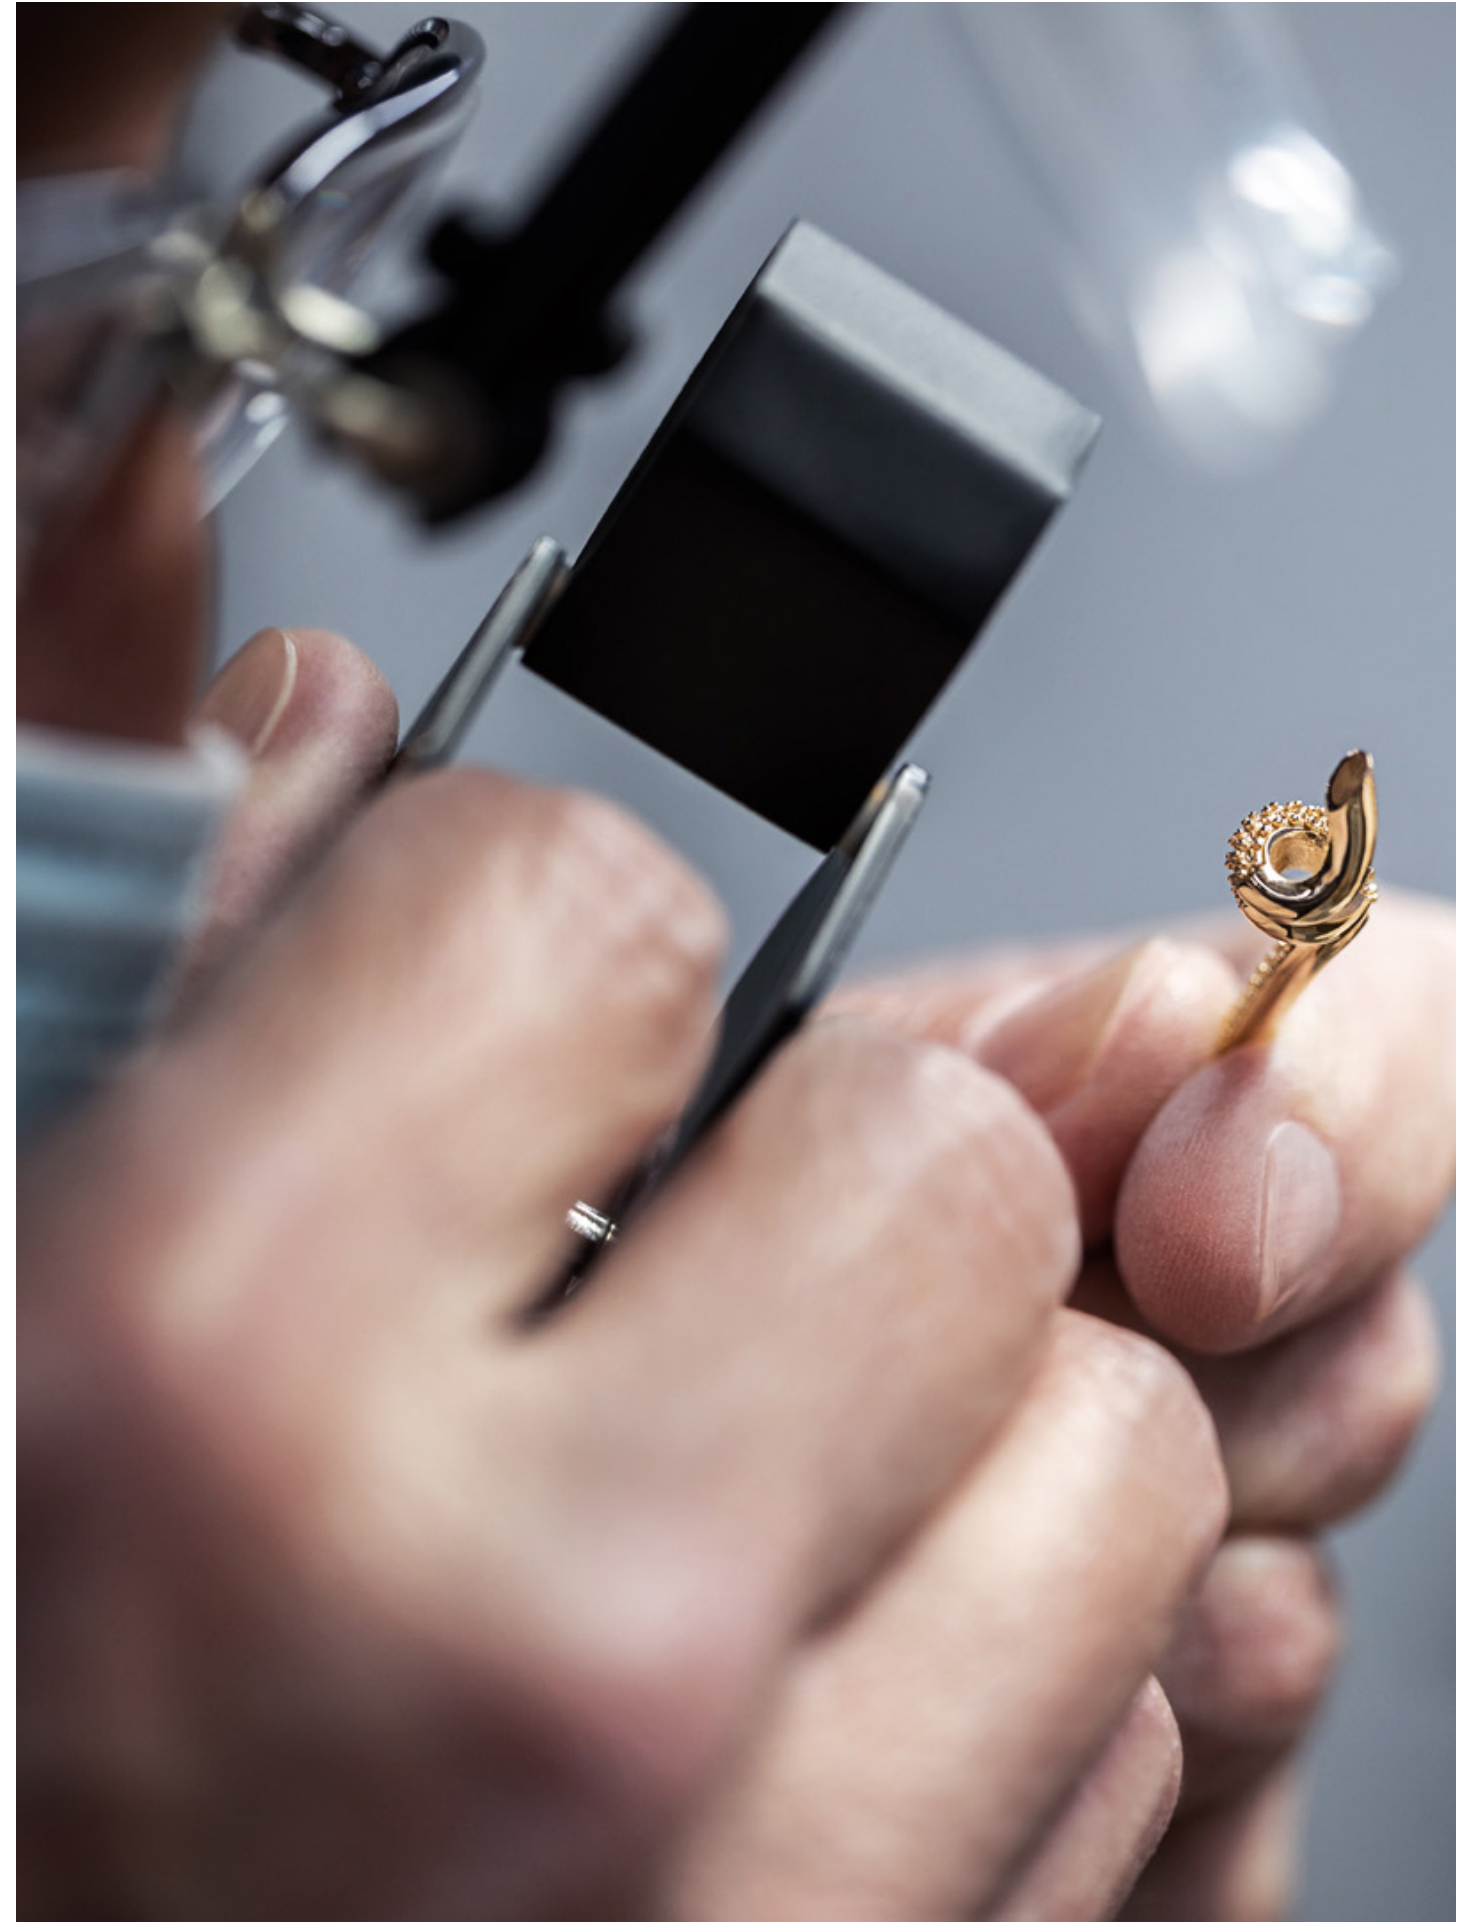

One artisan sees the design through from start to completion, arranging individual components to form a larger whole.

The Tiffany Knot designs are handcrafted from castings. The choker casting, hand-set with over 300 diamonds, is reinforced with gold wire.

Each design a complex feat of craftsmanship, Tiffany Knot is elegant and contemporary with a touch of sharpness—just like the city that inspired it.
