out loud!

June '14

Concerts, films, picnics and apéroconcerts. High up on our rooftop terrace.

beursschouwburg

film

On Wednesday and Thursday evening the rooftop terrace is transformed into an open-air cinema. With seven music documentaries, full-length films and concert recordings we plunge headlong into the seventies. This was a decade with two looks: colourful, optimistic and extravagant, and in contrast also dismally pessimistic and violent. Wham bam thank you ma'am!

How do you like the idea of listening to euphoric tones on the roof terrace or dancing in the silver hall right next to sweaty musicians?

Everything is possible whether or not you have an aperitif in your hand.

Apéroconcerts are scheduled at 19:00, concerts at 22:00.

DJ-sets start around midnight.
