Mechelen, July 22, 2015 – Telenet Group Holding NV (“Telenet” or the “Company”) announces the issuance of €530 million 4.875% Senior Secured Fixed Rate Notes due 2027 (the “Notes”). Following the refinancing of certain Term Loans and the prepayment of the Senior Secured Fixed Rate Notes due 2016 in April last year, the issuance of additional debt facilities of up to €1,000 million related to the acquisition of BASE Company NV, and the recent upsizing of available commitments under its revolving credit facilities by a net €85 million, this transaction represents the next step in a further optimization of Telenet's capital structure and marks a further improvement of its debt maturity profile.

The Notes will be issued by Telenet Finance VI Luxembourg S.C.A. (the “Issuer”), an independent financing company incorporated at the direction of Telenet to issue the Notes in the international debt markets for this purpose. The proceeds of the Notes will be on lent by the Issuer to Telenet International Finance S.à r.l. as an additional facility under Telenet's existing Senior Credit Facility (the “Senior Credit Facility”). The Notes will be the obligations of the Issuer alone and not of, or guaranteed in any way by, Telenet Group Holding NV, Telenet NV or any of their subsidiaries.

Telenet International Finance S.à r.l. intends to use the net proceeds from the additional facility to prepay Facility M under the Senior Credit Facility. Telenet Finance Luxembourg S.C.A. will in turn use the proceeds from the prepayment of Facility M to redeem its €500 million aggregate principal amount of Senior Secured Notes due 2020.

As of March 31, 2015, Telenet's net leverage ratio¹ was 3.7x (excluding any impacts related to BASE Company acquisition), which was stable compared to December 31, 2014. Telenet's debt is rated B+ and B1 at S&P and Moody's, respectively, both with a stable outlook.

Goldman Sachs, J.P. Morgan, Royal Bank of Canada and Société Générale acted as Bookrunners.
