

# CLINIQUE

## SMART CLINICAL REPAIR LIFTING FACE + NECK CREAM

**Powerful face and neck cream visibly lifts and reduces lines and wrinkles.**

### What It Is

The latest addition to our advanced de-aging line, Clinique Smart Clinical Repair™. Our powerful face and neck cream visibly lifts skin plus fights lines and wrinkles for smoother, younger-looking skin. Launch Mid-September 2023.

### What It Does

- Clinically proven to visibly lift skin on face and neck, visibly reduce lines and wrinkles, and smooth neck crepiness.
- Formulated with multi-peptides to help boost skin's natural collagen production to help strengthen skin.
- Skin looks smoother and more lifted and feels firmer.
- Plumps with instant and long-lasting hydration.

## Proven Results

- 100% show a more lifted-looking face and neck.\*
- 100% show a less crepey-looking neck.\*

\*Clinical testing on 36 women after using the product for 12 weeks.

## Key Ingredients

**Multi-peptides:** Supports natural collagen to help strengthen skin, which helps skin look more lifted and lines and wrinkles look reduced.

**Hyaluronic acid, jojoba oil, and shea butter:** Blend of moisturizing ingredients helps hydrate, restore suppleness, and visibly smooth fine, dry lines.

## Formula Facts

- Safe for sensitive skin.
- Non-comedogenic.
- Non-acnegenic.
- Cushiony cream texture.
- Dermatologist tested.
- Fragrance-free.
- Allergy tested.

## How To Use

- Use morning and night on face and neck.
- Apply after using Clinique Smart Clinical Repair™ Wrinkle Correcting Serum.
- Follow with Clinique Smart Clinical Repair™ Wrinkle Correcting Eye Cream for the ultimate de-aging routine.

**Suggested retail prices:** €100.00 (50ml)

Available as from Mid-September 2023 at all Clinique points of sale.
