# BIKES FOR SALE

Exploring is even more fun when you're on a bike! Cut out the characters and bikes on the next page and take them around the park.

Start at the entrance to **The Park**.

Then, find **The Best Lemon Trees** to make some lemonade!

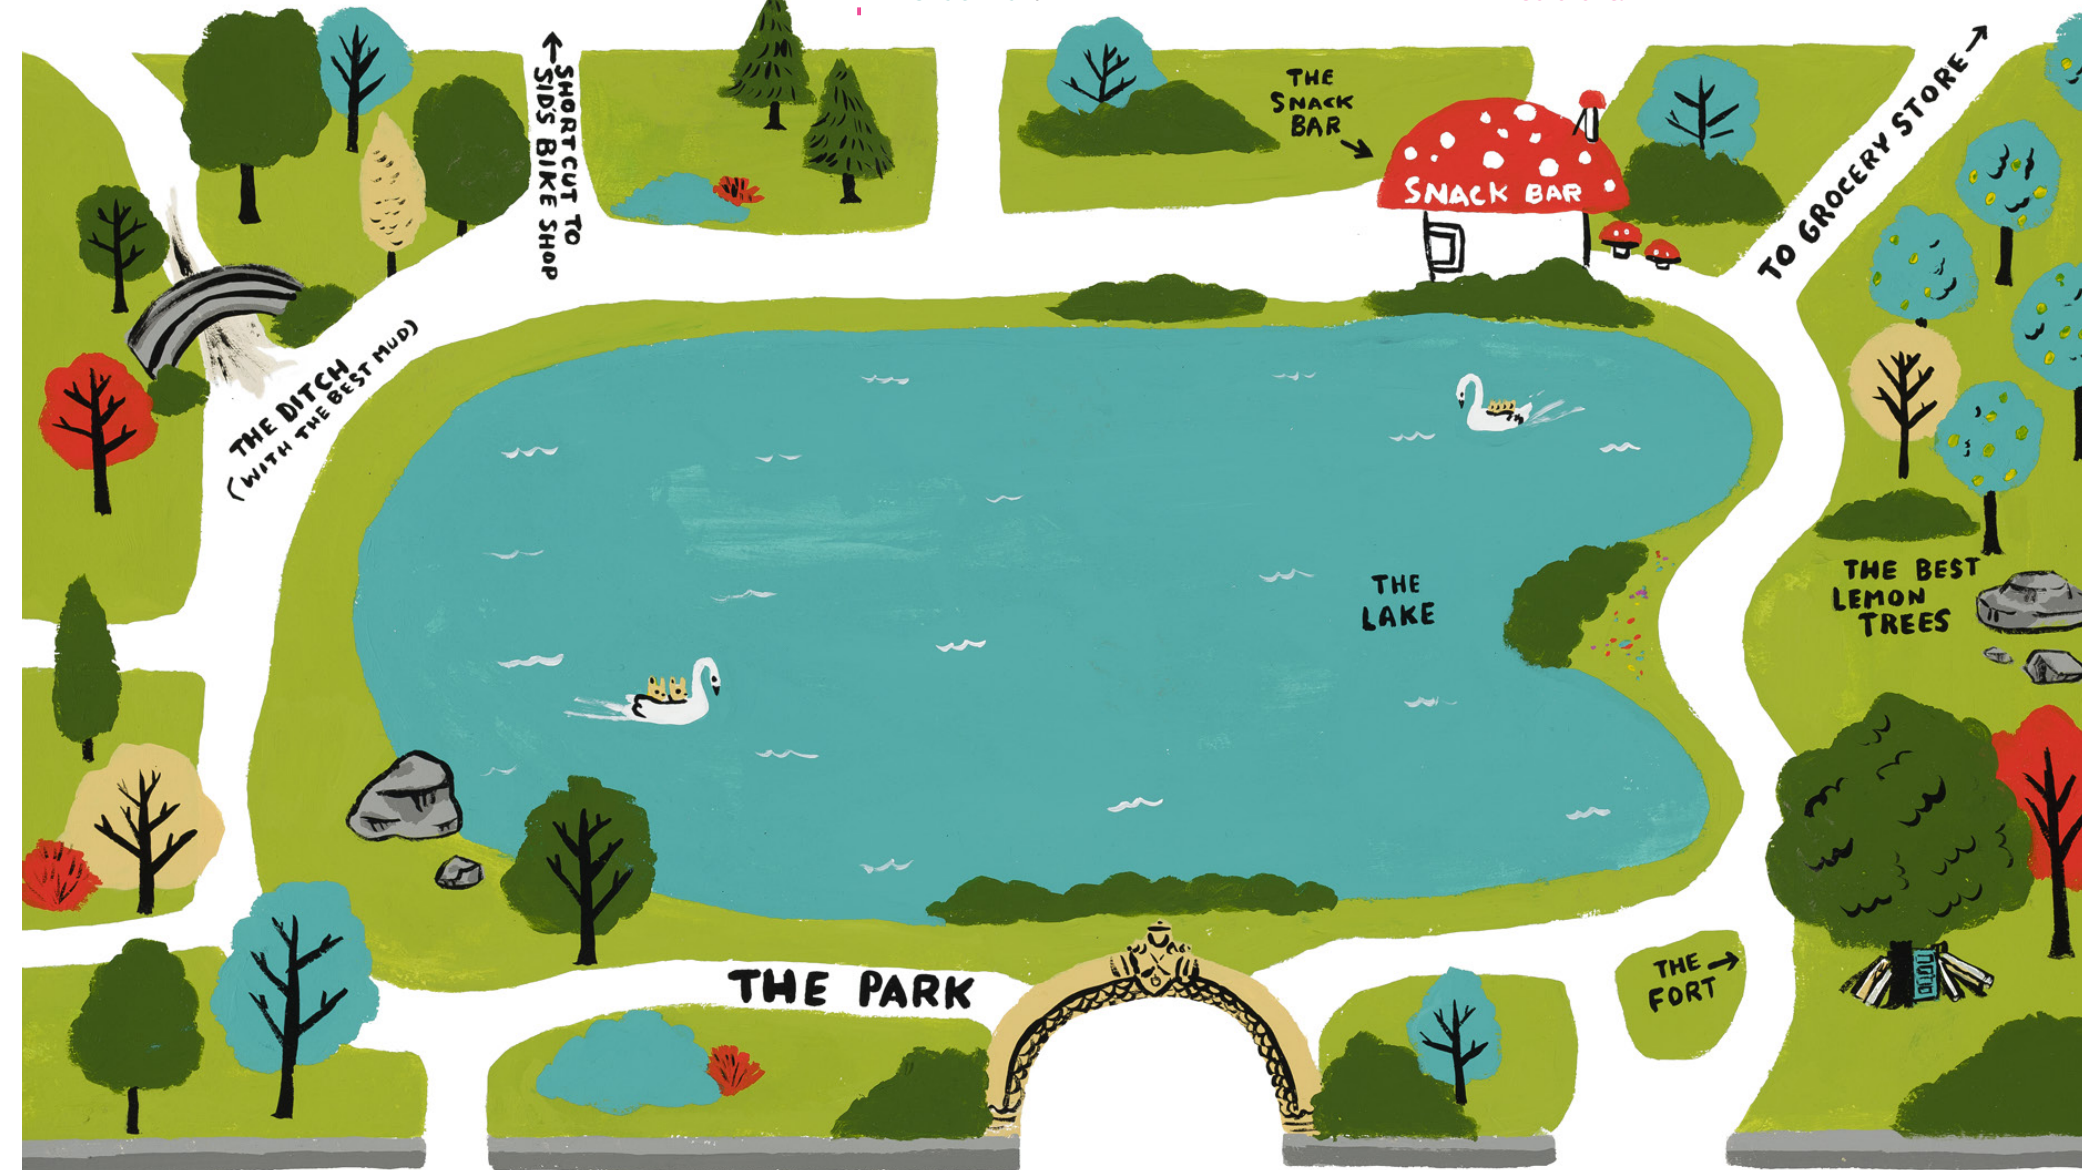

Now it's time for a snack. Can you find the **Snack Bar**?

Then turn around and go back to visit **The Fort**.

Now zoom to the **Bike Shop**!

Finish off your ride at the entrance to **The Park**.

**You did it!**
