## Back by popular demand: Orange Marmalade returns

### Available as from beginning of August 2025

A scent inspired by the great tradition of marmalade making makes a permanent return to Jo Malone London's fragrance collection. A refined take on the most-British preserve, Orange Marmalade Cologne captures a moment where orange peel simmers on the stove, its vibrant aroma and bitter bite tantalising the senses. Warm woods are blended with orange zest to create a bright golden fragrance – one that's proven popular with the British fragrance and lifestyle house's customers around the world.

Originally cooked up by perfumers Marie Salamagne and Nicolas Bonneville, Orange Marmalade Cologne features a top note of orange peel and a heart of bitter orange layered over a base of patchouli. This fragrance taps into the contemporary take on eccentric, nostalgic and evocative scenes that Jo Malone London is known for.
