SUPERWOG CHARACTERS

SUPERWOG

Superwog is an underachieving, fast food and girl-loving teenager enrolled in a prestigious private school. His idiotic nature causes his father extreme stress.

WOG DAD

Wog Dad is the highly strung, neurotic and self-righteous patriarch of the family. Although he can display violent and primitive behaviour, he often exhibits an insightfully deep and sensitive understanding of life.

WOG MUM

Wog Mum is a materialistic and delusional housewife who strives to keep her family happy. While her simple and happy nature means she overlooks and misunderstands Wog Dad's problems, she is often the one with the solution.

JOHNNY

While Johnny is arguably even more idiotic than his best friend Superwog, he is far better natured. His unrivalled loyalty to Superwog means he sacrifices his own desires for Superwog's gain, often without any acknowledgment.

ABOUT THE CREATORS: THEODORE AND NATHAN SAIDDEN

Superwog is an original comedy duo created by Sydney based brothers Theodore and Nathan Saidden. Since they started uploading their videos to YouTube in 2008 they have had an incredible 185+ million YouTube views and more than 905K+ subscribers. The Superwog channel has gone from strength to strength whilst breaking records, earning awards and becoming one of Australia's most loved and watched YouTube channels.

Theodore (born 1988) and Nathan Saidden (born 1989) developed an

interest in scripted comedy and acting early whilst attending Sydney's Trinity Grammar school - in particular the work of Monty Python, Sacha Baron Cohen and Chris Lilley.

Theo and Nathan wrote and performed in their first ever stage show that premiered at the Melbourne International Comedy Festival in 2013 completely selling out their performances and adding extra shows. The show went on to tour nationally selling out in all major cities including four sold out shows at Sydney's Enmore Theatre. Their second live show, *Talk Shit Get Hit*, was an even bigger success and for the first time **Superwog** took the show to both capital cities and regional towns.

Superwog were chosen to be part of the Google / Screen Australia's Skip Ahead initiative which gives YouTube creators the opportunity to branch into long form video. Through this initiative **Superwog** released their first feature length episode which immediately shot to the #1 trending spot on YouTube (Australia). It hit a staggering 1 million views in a little over three days, with audiences from all over the globe tuning in.

Theodore also directed this series of **Superwog**.
