COMMANDING CONVENIENCE

Driver-focused innovations provide the perfect environment for an engaging and confidence-inspiring drive, in all conditions.

SUPERIOR VISION

Advanced lighting technology uses 1.3 million Digital Micromirror Devices, able to shadow up to 16 objects, while maximising light on the road.

UNINTERRUPTED VISIBILITY

Switchable ClearSight camera technology provides an unimpeded view to the rear.

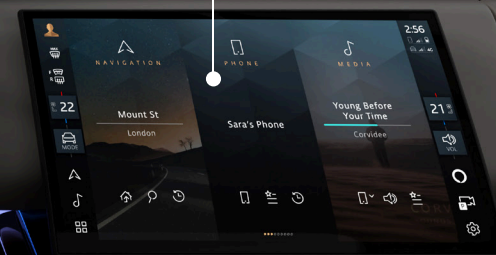

DIGITAL FLEXIBILITY

Large 13.7-inch Interactive Driver Display can be personalised to suit your preferences.

INTUITIVE INFOTAINMENT

Award-winning Pivi Pro features a 13.1-inch haptic touchscreen, twin embedded eSIMs and SOTA updates.

VOICE CONTROL

Built-in Amazon Alexa allows natural voice control of a wide range of features, and access to all your wider Alexa skills from your car.

CONNECTED CONVENIENCE

15W Wireless Device Charging, Wireless Apple CarPlay™ and Android Auto™.
