

## Give the gift of superior sound this Valentine's Day

For the love of sound - Sennheiser's Valentine's Day Gift Guide

*Sydney, Australia, 4 February 2022* – As the most romantic day of the year approaches, loved ones can show each other how much they care by giving the gift of sweet sound. For partners who want a more unique gift than roses and chocolates, their Valentine is sure to be swept off their feet with incredible headphones and the perfect symphony of love songs.

With styles to match every lover, Sennheiser has headphones to remind lucky recipients of their partner's love year-round. More than just a celebration for lovestruck couples - Valentine's Day is the perfect excuse to practice self-care and indulge your ears by listening to your favourite tracks.
