Muller Van Severen. Dialogue

Muller Van Severen was founded in the early Spring of 2011. With both Fien Muller (*1978, Lokeren, Belgium) and Hannes Van Severen (*1979, Gent, Belgium) being artists, it's natural that the collection sits somewhere between design and art.

Ed. Jan Boelen. Text: Jan Boelen in conversation with Beatrice Galilee, Arno Brandlhuber, Sam Chermayeff. Photography: Fred Muller, Frederik Vercruyse,

Das belgische Design-Duo Fien Muller und Hannes Van Severen arbeitet bereits seit einem Jahrzehnt zusammen. In dieser Zeit entstand in Verwendung einfacher industrieller Materialien und mittels einer umfangreichen Farbpalette ein Werk, das elementare Formen in lebendige Räume verwandelt. Durch Interviews und visuelle Referenzen enthüllt „Dialogue“ Ursprung, Komplexität und architektonische Bezüge in der Arbeit von Muller Van Severen.

Belgian design duo Fien Muller and Hannes Van Severen have worked together for a decade. During this time, a combination of their family roots, work process, and the use of simple industrial materials in combination with a rich colour palette created an influential body of work – elementary forms shape functional sculptures that grow into vibrant spaces. Through conversations and visual references, Dialogue unveils the origins, the complexity, and the references embedded in the DNA of Muller Van Severen's work.
