## Just Browsing

## Tinted Volumizing Gel & Clear Sculpting Gel

Available as from Mid-August 2025 at all points of sale.

Allergy Tested. 100% Fragrance Free. Dermatologist Tested.  
Ophthalmologist Tested. Safe for Sensitive Eyes. Safe for Contact Lens Wearers.

## Tinted Volumizing Gel – Suggested Retail Price (SRP): €32

### What It Is:

Tinted, fiber-infused brow gel instantly tames and fluffs for naturally fuller brows in seconds.

### What It Does:

#### Fiber Infused Formula

- Dimensional microfibers fuse with brow hairs to add thickness and volume for a boosted brow look.
- Tames and grooms without leaving any crunchy residue.
- The fiber-infused formula is ophthalmologist-tested, safe for sensitive eyes, and safe for contact lens wearers. **NOTE:** Fibers may be visible on the brush.

#### Brow Boosting Brush

- The cone-shaped brush is designed to comb, sculpt, and fluff every hair.
- The brush's precision tip makes it easy to shape individual brow hairs, plus fill in spots that need an extra bit of tint.

#### Nourishing Oil Blend

Infused with a nourishing blend of coconut, argan, and moringa oils to help condition brows.

#### Available in six shades :

**\*Auburn & Cool Brown are only available at de Bijenkorf.**

### Who It Is For:

Customers who need to tame unruly brows, fluff brows and or tint their brows.

### How To Use:

- Brush through brows in short strokes to fluff, shape, and set brows.
- Use the brush's precision tip to define or fill in and tint specific areas.

**TIP:** For maximum effect, first brush brow hairs up so they are vertical, then sweep the brush from brow head to tip to lay the brow hairs down.

# CLINIQUE
