About Children's Museum of Atlanta

Children's Museum of Atlanta is the only educational venue of its kind in Atlanta, presenting educational programs and exhibits designed for young children ages 0-8. The Museum's mission is to spark imagination and inspire discovery and learning for all children through the power of play. With six permanent learning zones consisting of bright, creative and hands-on exhibits, the Museum supports inventive play-based exploration and experiential learning focused on the whole child. Core competencies for literacy, math and science are promoted throughout all exhibits and programming in alignment with the state and national Core Performance Standards. The Children's Museum of Atlanta also offers parties, memberships, field trips, summer camp and private events. For more information or to support Children's Museum of Atlanta, visit childrensmuseumatlanta.org or call 404.659.KIDS [5437].

About Minnesota Children's Museum

Minnesota Children's Museum is a non-profit community organization committed to smart play: sparking children's learning through play. Infants ages six months through children age 10 discover their world through hands-on exhibits in five permanent galleries: **Our World** connects children to people and places in their community as they role play "grown-ups" in a child-size environment; **World Works** encourages creativity and problem-solving through investigation and experimentation; **Earth World** immerses children in lifelike Minnesota habitats to nurture an understanding of the natural world; **Habitot**® enables infants and toddlers to safely explore four developmentally designed learning landscapes; and **Rooftop ArtPark** brings nature and art together in an outdoor gallery on the Museum's fourth floor. Two special galleries offer exciting traveling exhibits from around the world. Fun, interactive activities, such as Story Time and Big Fun! take place daily. Kid Spark, the Museum store, is located in the first floor lobby. Minnesota Children's Museum has been providing children and adults with a fun, educational environment since 1981.
