

Invitation: Register for EUSEW2020

EUSEW 2020 goes digital!

Join us online for the 15th edition of the [EU Sustainable Energy Week \(EUSEW\)](#) from **22 to 26 June 2020**.

For the first time ever, this edition will be an online, interactive event experience, where participants can debate the latest developments under the **theme 'Beyond the crisis: clean energy for green recovery and growth'**.

On 23 June **Kadri Simson**, European Commissioner for Energy, will officially welcome policymakers, local authorities, the industry, media, NGOs and academia at the **Opening session** to debate Europe's energy future at the **EU Sustainable Energy Week (EUSEW)**. It is a unique opportunity for various actors to discuss the [recovery plan for Europe](#) post COVID-19.

In online sessions spread across 3 days and clustered around 4 key themes – renovation wave, finance, sector integration and strategy – various stakeholders will take the floor to share their views on how to move forward from the crisis and achieve a sustainable future for all.

Register now for EUSEW 2020: <https://digital.eusew.eu/>

EUSEW 2020 highlights include:

- **31 policy sessions (23-25 June)** gathering industry experts and policymakers to discuss various aspects of the **European Green Deal and a green recovery**. Consult and join the sessions [here](#)

EU Sustainable Energy Awards Ceremony (23 June – 09.45) recognising (via live stream) outstanding individuals and projects in three categories: **Youth, Engagement and Innovation**, plus an additional category recognising the achievements of **Women in Energy** ([Join dedicated webinar](#)). Stay tuned to find out who takes home the prize in these categories, along with the **Eastern Partnership Award** and the [Citizens' Award](#) (public vote open until

18 June). After the Awards Ceremony (**23 June - 10.35**) a [dedicated Q&A session](#) will take place with all the EUSEW Award winning projects.

- **[Debate with Ambassadors \(23 June – 11.00\)](#)** Selected Ambassadors will discuss their commitment and support for the European Green Deal and highlight the road to green recovery and growth.
- The first ever **[European Youth Energy Day \(22 June\)](#)**, a youth dialogue on how transform Europe into the first climate-neutral continent with **Frans Timmermans**, Executive Vice-President of the European Green Deal. Register [here](#)
- **[Additional events leading up to and following EUSEW 2020](#)**, organised in June, featuring **individual webinars** hosted by **EUSEW partnering organisations**, such as:
 - **Forecast for renewables Energy? How climate data can help boost the green energy sector.** At 14.00 CET on Friday, 26 June. Euronews, in partnership with the **Copernicus Climate Change Service (C3S)** and **Copernicus Atmosphere Monitoring Service (CAMS)** implemented by the **European Centre for Medium-Range Weather Forecast (ECMWF)**, will host a YouTube Live event with Dr Jeff Hardy, senior research fellow at the Grantham Institute for Climate Change and an Energy Futures Lab affiliate and Claudia Kemfert, Professor of Energy Economics and Sustainability at the Hertie School of Governance in Berlin and head of the Energy, Transportation, and Environment department at the German Institute for Economic Research (DIW Berlin). This debate will be moderated by Jeremy Wilks, climate correspondent at Euronews, and will uncover the inside story on the rollout of renewable energies in Europe. [More info on the EUSEW website.](#)
- Local digital events – **[Energy Days](#)** – all over Europe (in **May and June**), showing how communities and local changemakers are contributing to the clean energy transition.
