URBAN GEOMETRY

MODERN GLOBAL VIBE

The Urban Geometry collection is inspired by the Art Deco architecture and geometric patterns Dawn came across during her travels in Europe. Although streamlined with a monochromatic palette for the majority of the designs, you will find a burst of paprika, pumpkin, saffron and a dash of steel blue to balance out the collection. Add these serving trays to a neutral luxe environment where the accessories are the sparkle, to add touches of colour and interest throughout the space.

CARE INSTRUCTIONS

WOOD

The NOTRE MONDE trays are varnished with a water-based top coat to repel common substances and fluids, such as coffee, tea and wine. However, the protective coat is no foolproof guarantee against stains. We recommend removing spills immediately to prevent staining. Always use coasters to prevent hot surfaces from leaving marks on your tray.

Daily care for pieces with wood:

Dust regularly using a soft dry cloth.

For a more thorough cleaning, use furniture polish with a soft cloth.

GLASS & MIRROR

Wipe the glass or mirror surface with a neutral glass cleaner and soft cloth.

METAL

Dust regularly using a soft dry cloth. For a more thorough cleaning, use mild soap and warm water. Rinse with clean water and wipe dry. Do NOT use steel wool, sandpaper, mineral acid, bleach, or chlorine cleaners on metal surfaces.

FURNITURE WITH METAL BASE

Do not drag tables along the floor, as it might damage the protective coating, cause rusting or leave permanent marks on the floor. Always lift the furniture when moving them from place to place.

Always ensure water and solutions do not come into contact with the furniture's metal base and a wooden floor, as it might leave permanent marks on the floor. Some wood species, such as oak, contain tannin, which causes the wood to react with metal and leave permanent stains.

UPHOLSTERY

The upholstery of the velvet sofas is not allowed to be washed or dry-cleaned. To keep it in optimal condition we recommend vacuuming regularly with an upholstery attachment and avoid placing the sofa in direct sunlight. Tips and tricks for spot cleaning:

Treat stains immediately.

Blot up as much of the spill as possible with a clean, dry, white cloth. Don't rub.

Blot the stain with a clean, slightly damp white cloth, working from the outer edge to the center of the stain. Use a hair dryer on the lowest heat setting to evenly dry the fabric and prevent moisture rings.

USER INSTRUCTIONS

The NOTRE MONDE trays are intended for decorative and everyday use. They are not to be used in a setting such as, but not limited to, restaurants where they are exposed to constant washing, repetitive handling and service of heavy items.

All NOTRE MONDE products are intended for indoor use only.

UNIQUENESS OF OUR PRODUCT

The NOTRE MONDE brand incorporates classic and traditional techniques, such as metal-leafing, hand-painting, silk screen-printing and aging. Due to the handcrafted nature of our products, each item will vary slightly. We consider this a sign of uniqueness and quality.
