

GinZing™ Glow-Boosting Mask

Launch in June 2022

WHAT IT IS:

A hydrating gel face mask with Vitamin C and encapsulated Mineral Optics—for an instant, healthy-looking glow & brighter skin over time.

WHAT IT DOES:

Our best face mask for glowing skin: this leave-on mask—with our signature, uplifting GinZing™ scent—brightens skin instantly and long term. Boosts moisture +102%.* Use it in place of moisturizer for a perfect bare-skin or under-makeup glow. The formula features our 3-Glow Complex, which delivers ingredients in three fresh ways. Snap encapsulates with Mineral Optics inside gently burst on application to deliver a “well-rested,” radiant look; proprietary Veggie-Liposome Vitamin C helps increase brightness over time; and Free-Form Vitamin C releases onto skin to be absorbed and help build lasting brightness. The glow is real.

*Clinical testing on 21 women, after using product once.

WE FORMULATE WITHOUT:

Parabens, phthalates, propylene glycol, formaldehyde, sodium lauryl sulfate (SLS), mineral oil, petrolatum, paraffin, diethanolamine (DEA), polyethylene beads.

HOW TO USE:

Rub onto clean, dry skin; no need to rinse off. Use as desired in place of moisturizer.
