In addition to hotel rooms and short stay studios, The Student Hotel Amsterdam City complex also offers flexible workspaces, a 150-seat Auditorium and playful work-and-meet spaces right in the heart of Amsterdam. The Classrooms are creative learning environments designed to maximize space, productivity and innovative thinking.

Flexible room settings can seat up to 70 people and events can be further tailored with interactive tools, audio-visual technology and healthy catering packages from The Pool, the on-site restaurant and bar. The location is easily accessible by public transportation and also offers a parking lot on the premises.
