

A tribute to Willebroek: HOMECOMING by Dimitri Vegas & Like Mike

Dimitri Vegas & Like Mike play exclusive gig for Willebroek residents and Orange customers only

Belgian DJs Dimitri Vegas & Like Mike are hugely popular, with gigs from South Korea to Canada. Although the Thivaio brothers now travel the world, Willebroek is still their true home. On Friday, 1 September 2017, Dimitri Vegas & Like Mike will treat the residents of Willebroek to an exclusive DJ set. The gig is aptly called "HOMECOMING" and is staged to thank their earliest fans. Orange also wants to say a big thank you to its loyal customers and has therefore requested Dimitri Vegas & Like Mike to repeat their show on Saturday, 2 September 2017 exclusively for 6,000 Orange customers.

1 September – HOMECOMING in Willebroek

In October 2015, Dimitri Vegas & Like Mike were voted the best DJs in the world by prestigious DJ Mag Top 100. It was the result of years of hard work on their way to the top. Now that they have reached the top, the brothers are praised all over the world, but Belgium and Willebroek in particular still have a special place in their hearts. That is why Dimitri Vegas & Like Mike were happy to set aside some time in their busy schedule to treat the residents of Willebroek to an exclusive gig on Friday, 1 September 2017.

Mayor Eddy Bevers: "Homecoming is all about Willebroek for Dimitri Vegas & Like Mike. They are our two most notable residents and they have been cultural ambassadors for Willebroek since 2015. Although they are now famous DJ gods all over the world, they will always be Dimitri and Michael Thivaio to many residents of Willebroek. This exclusive gig for our residents has made us like them even more than we already did."

2 September – Orange says thank you to its customers

This gig is part of the 'Orange Thank You' loyalty programme, which frequently surprises customers with all sorts of gifts, such as extra mobile data, music, books, cinema tickets and exclusive events. In the past, there have been exclusive performances by Lady Gaga, Mika, Stan Van Samang, GOOSE and Hooverphonic for Orange customers only.

Cristina Zanchi, Chief Consumer Officer of Orange Belgium, responds: "The Orange Thank You Programme is our way of thanking our customers for their loyalty. We don't do complicated savings or points programmes. Simply being an Orange customer is enough to receive our regular treats. These little delights go to every new customer right from the start. We are very pleased with this collaboration and we look forward to seeing our customers experience this incredible show."

Dimitri Vegas: "This gig is a gift to our hometown, the place where we grew up and where our parents still live. It is going to be mind-blowing to see so many familiar faces in the audience and to see 6.000 Orange customers go wild. "
