

## **Jonathan Goodman**

Jonathan Goodman is the Chief Operations Officer for Polestar, charged with overseeing the operational launch of the new electric performance car brand. He has held the role since July 2017.

Prior to this, Jonathan was Senior Vice President, Corporate Communications for Volvo Cars from October 2014. He joined Volvo Cars after a 28-year career at PSA Peugeot Citroën where he held the role of Executive Vice President, Communications, in Paris. Prior to that, he held several leading positions within the PSA group, based in the UK, France, Belgium and Luxembourg.

Jonathan holds a degree in Combined Honours in French, English Literature and International Politics from the University of Newcastle-upon-Tyne and additionally a diploma in Business Administration from the University of Coventry.

He is married with 2 children (26 and 24 years of age).
