

WEBINAR SERIES:

COVID-19 MEDICAL TOOLS & LOCAL PRODUCTION IN AFRICA

HOSTED BY DOCTORS WITHOUT BORDERS/ MSF SOUTHERN AFRICA

DIAGNOSTICS

Friday 26 November

9am Senegal ● 10am Brussels

11am South Africa ● 12pm Ethiopia

Join us for the final instalment of our 3-part webinar series as we discuss diagnostics procurement and manufacturing in Africa to ensure equitable access. As well as a presentation by CapeBio, a local manufacturer in South Africa making Covid-19 PCR tests, we will hear about pooled procurement efforts by the African Union's Medical Supplies Platform, technology transfers to DIATROPIX in Senegal, and the role of government in supporting local manufacturing.

Yenew Kebede Tebeje, Laboratory Systems & Networks Head, Africa CDC

Glaudina Loots, Health Innovation Director, Dept. Science & Technology, RSA

Cheikh Tidiane Diagne, DIATROPIX Unit Head, Institut Pasteur de Dakar

Stijn Deborggraeve, Diagnostics Advisor, MSF Access Campaign

Daniel Ndima, Founder, CapeBio Technologies

Moderator: Mia Malan, Bhekisisa Centre for Health Journalism
