

Liposmose

Anti-puffiness serum for the eyes

FACE

Stage	Treatment	
Category	Anti-tiredness Serums	
Skin Instants®	With under-eye puffiness	
Available formats	<i>Retail</i> 8 - 30 ml bottles	<i>Professional</i> 125 ml bottle

Specifically formulated for congested eyes, **Liposmose** is the vital ally in the fight against puffiness, day in day out. Whether made of water or fat, puffiness volume is durably reduced. The eye contour area is “lifted”, smoother and the skin is strengthened to better combat everyday stress.

ACTION PLATFORMS

- **Anti-water bags platform**
Rance Red Seaweed Extract
- **Anti-fatty bags platform**
Lipolytic Tetrapeptide
- **Cutaneous sagging platform**
Cassava Extract

BENEFITS

- Moisturizes the eye contour area
- Reduces congestion in the eye contour area
- Reduces puffiness volume
- Firms eyelids
- Strengthens the skin of the eye contour

DIRECTIONS FOR USE

1. Apply few drops over the entire eye contour area, focusing on puffiness.
2. Gently tap with your fingertips, starting from the inside corner and moving to the outside corner of the eye, to facilitate microcirculation.
3. Next, apply gentle pressure to the lymph to reduce congestion in the eye contour area.

CAUTIONS

- Avoid contact with eyes.
- External use only.
